Appendix A1

1. 12/2038/FUL

ALPC meeting 14/11/2012

6 Hilltop Road Kings Langley Hertfordshire WD4 8NT - Roof alterations including raise in ridge height and front and rear dormer windows to create two storey dwelling, demolition of existing garage and erection of single storey side extension, new roof to existing lounge, front roof canopy, alterations to conservatory to rear, installation of new 1.8m high gate and fence to side of dwelling for Mr And Mrs D Halewood.

ALPC Comment: No objection.

TRDC Decision: Refused.

Reason: The proposed extensions by reason of their height, scale, bulk and design would result in a two storey dwelling which is disproportionate in size to the original bungalow and which would appear visually prominent in the landscape to the detriment of the openness and rural character of the Metropolitan Green Belt. The development would therefore constitute an inappropriate form of development which is by definition harmful to the Metropolitan Green Belt. No very special circumstances have been presented which would outweigh the harm. This would be contrary to Policies CP1 and CP11 of the Core Strategy (adopted October 2011), Saved Policies GB1 and GB6 of the Three Rivers Local Plan 1996-2011, Policy DM2 of the Development Management Policies LDD (Proposed Submission Version) and the adopted SPG: Extensions to dwellings in the Green Belt.
