Planning applications decided by Three Rivers District Council Reported on 27th April 2016

Appendix A1

1. 16/0149/FUL ALPC meeting 24/02/2016
Land Adjoining The Weald Bell Lane Bedmond Abbots Langley Hertfordshire WD5 0QT - Erection of four stables with associated hardstanding for Mr Kevin Crawford.
ALPC Comment: Members object to this application, in view of its position at the end of a private un-adopted road. The additional traffic will increase the wear and tear on the unmade road surface which is maintained at the residents own expense. They also have concerns regarding the safety aspects of the access for large vehicles from Bell Lane onto Bedmond High Street. If officers are minded to approve this application then Members request that it is referred to Three Rivers Planning Committee for consideration.
TRDC Decision: Withdrawn
2. 16/0309/FUL ALPC meeting 24/02/2016
15 Bateson Drive Leavesden Watford Hertfordshire WD25 7ND - Conversion of garage into habitable accommodation and extension to drive for Mrs Danielle.
ALPC Comment: No objections, however Members do regret the loss of the garage on this new development.
TRDC Decision: Approved
3. 16/0251/RSP ALPC meeting 24/02/2016
69 and 71 Trowley Rise Abbots Langley Hertfordshire WD5 0LN - Part Retrospective: Rear infill extension of both 69 and 71; extension of roof to form crown roof with dormers for Mr Trevor Woodger.
ALPC Comment: No objections.
TRDC Decision: Refused
Reason: The proposed development, by reason of its excessive bulk and massing and introduction of an incongruous crown roof form would result in a significantly prominent form of development that would harm the visual amenity of the streetscene. As such, the proposal is contrary to Policies CP1 and CP12 of the Core Strategy (adopted October 2012) and Policy DM1 and Appendix 2 of the Development Management Policies LDD (adopted July 2013).
4. 16/0240/FUL ALPC meeting 24/02/2016
46 Toms Lane Kings Langley Hertfordshire WD4 8NB - First floor side extension and loft conversion including rear dormer and rooflights for Mr & Mrs Bailey.
ALPC Comment: Members are concerned about the proximity of the proposed two storey element of the extension, to the neighbouring boundary.
TRDC Decision: Refused
Reason: The scale and design of the development would result in inappropriate development that would significantly increase the bulk and massing of the dwelling, would erode space to the side of the dwelling and would result in harm to the openness of the Metropolitan Green Belt. No very special circumstances exist to outweigh this harm. The proposal would therefore be contrary to Policy CP11 of the Core Strategy (adopted October 2011), Policy DM2 of the Development Management Policies LDD (adopted July 2013) and the NPPF.
5. 16/0265/FUL ALPC meeting 24/02/2016
1 Lodge Close Garston Hertfordshire WD25 9BD - Single storey side annexe extension for Mr S Mistry.

Abbots Langley Parish Council

ALPC Comment: No objections, but the annexe must remain as ancillary accommodation, subordinate to the main property and not become a self contained dwelling.

TRDC Decision: Approved

6. 16/0354/FUL ALPC meeting 16/03/2016
8 Braham Crescent Leavesden Watford Hertfordshire WD25 7NN - Single storey rear conservatory for Mr and Mrs Brian Cosson.
ALPC Comment: No objections.
TRDC Decision: Approved
7. 16/0176/FUL ALPC meeting 16/03/2016

ALPC Comment: No objections.
TRDC Decision: Approved
8. 16/0180/ADV ALPC meeting 16/03/2016
4 Cunningham Way Leavesden Hertfordshire - Advertisement Consent: Installation of externally illuminated signage for Mr G Metha.
ALPC Comment: No objections.
TRDC Decision: Approved
9. 16/0214/FUL ALPC meeting 16/03/2016
6 Hunton Bridge Hill Hunton Bridge Kings Langley Hertfordshire WD4 8PU - Two storey front and side extension and conversion of garage into annexe for Ms E Long.
ALPC Comment: Members have concerns about the independent nature of the annex which must remain as ancillary accommodation, subordinate to the main property and not become a self contained dwelling.
TRDC Decision: Refused
Reason: The proposed two storey front and side extension by reason of its siting, excessive width, scale and design would represent an unduly prominent form of development, disproportionate in size to the original dwelling to the detriment of the visual amenities of Hunton Bridge Hill and the character and appearance of the application dwelling contrary to Policies CP1 and CP2 of the Core Strategy (adopted October 2011) and Policy DM1 and Appendix 2 of the Development Management Policies document (adopted July 2013).
10. 16/0331/FUL ALPC meeting 16/03/2016
14A Gypsy Lane Hunton Bridge Kings Langley Hertfordshire WD4 8PR - Single storey front and rear extensions, new roof forms over existing single storey side and front projections with rooflights and alterations to fenestration for Mr & Mrs T Maginley.

ALPC Comment: No objections.
TRDC Decision: Approved
13. 16/0330/FUL ALPC meeting 16/03/2016
Stable Cottage Chequers Lane Abbots Langley Hertfordshire WD25 0GP - Demolition of existing dwelling and construction of replacement re-sited two storey dwelling including basement and first floor terrace with associated landscaping, fencing and gates for Mr & Mrs Currie.
ALPC Comment: Members have no objections to the application but do have concerns with regards to the bats and that the comments by Herts and Middlesex Wildlife Trust are taken into consideration.
TRDC Decision: Refused
Reasons:
1. The proposed development, by virtue of its scale, bulk and massing would constitute inappropriate development within the Metropolitan Green Belt. The development also results in a prominent feature within the landscape and would result in actual harm to the Green Belt. No very special circumstances exist to outweigh the harm to the Green Belt by virtue of its inappropriateness and actual harm and the development is contrary to Policies CP11 and CP12 of the Core Strategy (adopted October 2011) and Policy DM2 of the Development Management Policies LDD (adopted July 2013).
2. In the absence of further surveys identified as a requirement by the submitted Preliminary Roost Assessment (Cherryfield Ecology, February 2015) and details of any proposed mitigation/compensation measures, it has not been demonstrated that the proposal would not adversely affect biodiversity and the development would be contrary to Policy CP9 of the Core Strategy (adopted October 2011), Policy DM6 of the Development Management Policies LDD (adopted July 2013) and the National Planning Policy Framework.
14. 16/0255/CLED ALPC meeting 16/03/2016
