Planning applications decided by Three Rivers District Council Reported on 10th August 2016

Appendix A1

1. 16/0882/FUL ALPC meeting 18/05/2016

39 Summerhouse Way Abbots Langley Hertfordshire WD5 0DY - Two storey side extension for Watford Property Co.

ALPC Comment: Members object to this contrived development in an area which has insufficient on-street parking to accommodate a five bedroom property. They feel the layout appears to have been designed for possible future subdivision to create a separate dwelling to which they would also object. If officers are minded to approve this application then Members request that it is referred to Three Rivers Planning Committee for consideration.

TRDC Decision: Refused

Reason: The proposed development would increase the parking demand for the site and would fail to provide any on-site parking provision. The development would therefore place additional pressure on the existing parking provision serving the area exacerbating existing parking pressures which would lead to conditions prejudicial to highway safety, the free flow of traffic and pedestrian movement and would negatively impact on existing residents amenity. As such, the proposal would be contrary to Policies CP1, CP10 and CP12 of the Core Strategy (adopted October 2011) and Policies DM1, DM13 and Appendices 2 and 5 of the Development Management Policies LDD (adopted July 2013).
2. 16/0795/RSP ALPC meeting 18/05/2016

Unit 5 And 6 Block Q Leavesden Park Phase 1 Aerodrome Way Leavesden WD25 7NG - Change of use of first floor level from flexible commercial use (classes A1, A2, A3, A5 and D1) to residential use (class C3) to provide 7 flats including 1 studio and 6 two bedroom units with associated parking and external alterations for Bellway Homes North London.

ALPC Comment: No objections.

TRDC Decision: Approved
3. 16/1078/PDR ALPC meeting 08/06/2016

Pinnacle House Part Unit E Home Park Industrial Estate Station Road Kings Langley Hertfordshire WD4 8LZ - Prior Notification: Change of use from Office (Class B1) to 91 Residential units (Class C3) for Mail Link Developments Ltd.

ALPC Comment: No objections to the change of use, but Members insist that adequate parking is provided and retained for the sole use of the flats.

TRDC Decision: Approved
4. 16/0843/FUL ALPC meeting 08/06/2016

Parkview Bucknalls Close Garston Hertfordshire - Demolition of 8a and 8b Bucknalls Close and extension of Parkview to provide 6 Houses of Multiple Occupation (HMOs) and increased accommodation to existing flats and alterations to parking for Cobalt Property Management.

ALPC Comment: No objections.

TRDC Decision: Refused

Reason: See TRDC website for full details which summarised include:

R1: The proposed extensions by virtue of their scale, design and siting would fail to result in a good standard of living for future occupants, especially those of the extended one bed flats which would have excessively long linear internal layouts with poor natural light reception. Additionally, the absence of a Noise Report also

Abbots Langley Parish Council

fails to demonstrate whether the noise from the adjacent M1 motorway would adversely affect the living conditions of those future occupants of Parkview.

R2: The proposed extensions by virtue of their scale and design would result in an oppressive, bulky and cramped form of development that fails to take into account the character and appearance of the existing building and the immediate streetscene and would appear unduly prominent to the detriment of the character and appearance of the area.

R3: In the absence of a suitable Flood Risk Assessment it has not been demonstrated that the proposed development would prevent unacceptable risks of flooding or that it would not unacceptably exacerbate risk of flooding elsewhere.

R4: In the absence of an Initial Bat Inspection Survey it has not been demonstrated that the proposed development would not have an adverse impact on any protected species which may be present within or use the site.

Land Adj 6 Parnell Close Abbots Langley Hertfordshire WD5 0DZ - Erection of a detached two storey dwelling on amenity land to side of flats within Parnell Close including creation of carriage drive with vehicular access onto Love Lane for Stacey and Joseph Brown and Murphy.
ALPC Comment: Members are concerned that this site is currently used as a communal amenity space/play area, which should be retained as such for the use of the flats in Parnell Close. Additional vehicular traffic will cause problems in Love Lane which is narrow and without passing places.
TRDC Decision: Approved
