Planning applications decided by Three Rivers District Council Reported on 8th October 2014

Appendix A1

1. 14/0974/OUT ALPC meeting 16/07/2014

South Bend Station Road Kings Langley Hertfordshire WD4 8LL - Outline Application: Demolition of existing dwelling and building on the site removal of mobile home and cessation of commercial uses and construction of 30 bedroom motel (all matters reserved) for Mr E Putman.

ALPC Comment: Members support this proposal providing the police and fire protection department's concerns are met. Despite being in the green belt, Members feel there is a need for this type of development in this particular area.

TRDC Decision: Refused

Reason: See TRDC website for full details of refusal.
2. 14/1168/FUL ALPC meeting 16/07/2014

Boundary Way Combined Site Abbots Langley Hertfordshire - Demolition of 24 flats, shop and community building and removal of garages and creation of 56 new 1, 2 and 3 bed homes consisting of two to three storey buildings together with new shop, community facilities including community gardens, parking, landscaping and alterations to main carriageway for Watford Community Housing Trust.

ALPC Comment: Whilst the improvements to some aspects of the original plans are welcomed, in particular the removal of the open landings/walkways on site B, Members still object to this application on the following grounds:- * Overdevelopment. * Insufficient parking. * Loss of garages. * Access problems in some areas for emergency vehicles. * Overlooking issues creating loss of privacy. * Inadequate open spaces/green areas. * Lack of external amenity space in area C1 in particular. The Committee consider this application to be overdevelopment on an already cramped site.

TRDC Decision: Approved
3. 14/1269/FUL ALPC meeting 06/08/2014

18 Hilltop Road Kings Langley Hertfordshire WD4 8NT - Alterations to roof to include extension to rear and side to allow first floor accommodation served by rooflights to front and rear and erection of canopy to front elevation for Mr Gordon Kampta.

ALPC Comment: No objections.

TRDC Decision: Refused

Reason: The proposed alterations to the roof, by reason of the excessive width, depth, scale, bulk and massing would result in disproportionate additions over and above the original building and create a prominent addition relative to the existing building. There would be encroachment of built form into the Green Belt at first floor level and the development would have an adverse impact on the openness of the Metropolitan Green Belt. The development would be an inappropriate form of development within the Metropolitan Green Belt and would result in harm to the openness of the Green Belt. No very special circumstances exist to outweigh the harm of the development to the openness of the Green Belt. As such the proposal is contrary to Policy CP11 of the Core Strategy (adopted October 2011) and Policy DM2 of the Development Management Policies LDD (adopted July 2013).

ALPC Comment: Members object to this application which is out of keeping and an overdevelopment of this plot. They have concerns with regard to the safety of the access onto the busy road and the arrangements for storage and collection of refuse. The Parish Council requests that this application is referred to Three Rivers Planning Committee for their consideration.
