Planning applications decided by Three Rivers District Council Reported on 20th May 2015

Appendix A1

1. 15/0431/RSP ALPC meeting 18/03/2015
56 Harthall Lane Kings Langley Hertfordshire WD4 8JH - Part Retrospective: Retention of livestock building with reduced ridge height and as part of a smallholding for Mrs Elaine Ferrazano.
ALPC Comment: Members object to this retrospective application considering it to be overdevelopment in the green belt, with the new outbuilding/barn considerably larger than the original, even with this proposed reduction in height. They are concerned about the impact on the neighbours due to the increase in overall size and height and feel a condition should be made that the building is used solely for livestock and not residential accommodation.
TRDC Decision: Approved with Conditions - See TRDC Planning Online

ALPC Comment: Members object to this cramped development which will create a terracing effect. They have concerns regarding the safety of the access/egress on the bend in the road; the gravel surface of the drive/parking area and the loss of the garage.
TRDC Decision: Approved with Conditions - See TRDC Planning Online
