Planning applications decided by Three Rivers District Council Reported on 24th February 2016

Appendix A1

1. 15/1852/FUL ALPC meeting 23/09/2015

Warner Bros. Studios Leavesden Warner Drive Watford Hertfordshire WD25 7LP - Hybrid Application to include full planning permission for sound stages, workshops, post production facility and extension to the Studio Tour car park together with outline planning permission (matters reserved: appearance and landscaping) for extension to the Studio Tour, workshops, production support building, Studio parking deck, Studio cafe extension, Studio support facilities and associated works for Warner Bros. Studios Leavesden.

ALPC Comment: Members have no objections to the aspects of the application for full planning permission but do not understand why the full planning permission and the outline element (without plans) are being considered together as one application. Members feel that an application of this size should be considered at District level and request that it is referred to Three Rivers Planning Committee for consideration.

TRDC Decision: Approved
2. 15/2264/FUL ALPC meeting 09/12/2015

5 Bucknalls Close Garston Watford Hertfordshire WD25 9NB - Roof extensions to change flat roof to pitched roof with side dormers and front and rear gables to allow accommodation within the roofspace for Mr Baladi.

ALPC Comment: No objections.

TRDC Decision: Approved
3. 15/2447/FUL ALPC meeting 22/12/2015

Berry Bushes Farm Langleybury Lane Langleybury Kings Langley Hertfordshire WD4 8RW - Two storey side extension, new entrance door with external canopy, internal alterations and alterations to fenestration for Mr Allan Crawley.

ALPC Comment: No objections.

TRDC Decision: Approved
4. 15/2458/FUL ALPC meeting 22/12/2015

65 Offord Grove Leavesden Hertfordshire WD25 7NF - Loft conversion including rooflights to front roof slope for Mr and Mrs Greg and Magda Trzaskowska.

ALPC Comment: No objections in principle but Members are seriously concerned that there is insufficient parking available in this congested residential area for a four bedroom house.

TRDC Decision: Refused

Reason: The proposed development would lead to a shortfall of parking provision and amenity space which would result in a significant increase in parking outside of the site to the detriment of highway safety, the character of the area and residential amenity. The development would therefore be contrary to Policies CP1, CP10 and CP12 of the Core Strategy (adopted October 2011) and Policies DM1, DM13 and Appendices 2 and 5 of the Development Management Policies LDD (adopted July 2013).
5. 15/2405/FUL ALPC meeting 22/12/2015

31 Railway Terrace Kings Langley Hertfordshire WD4 8JB - Two storey side extension, two storey rear extension, loft conversion including front and rear dormers and construction of front porches, subdivision to create two three bedroom dwellings and construction of a new vehicular access for Mr D Walker.

Abbots Langley Parish Council

ALPC Comment: Members object to this contrived, overdevelopment of the site which, with provision for only two cars, will exacerbate the parking problems in this already crowded vicinity. If officers are minded to approve this application then Members request that it is referred to Three Rivers Planning Committee for consideration.

TRDC Decision: Refused

Reasons:

1. The proposed two storey rear extension to the rear of 31 Railway Terrace, by virtue of its siting, depth and height would result in an unduly prominent and un-neighbourly form of development detrimental to neighbouring residential amenity and would result in a significant loss of light to the adjacent ground floor and first floor windows at number 30 Railway Terrace. The proposal therefore fails to comply with Policies CP1 and CP12 of the Core Strategy (adopted October 2011) and Policy DM1 and Appendix 2 of the Development Management Policies LDD (adopted July 2013).

2. The proposed development by reason of its parking layout and shortfall of car parking provision would lead to a significant increase in on-street parking in an area identified as experiencing pressure for parking and would lead to a layout unable to provide suitable access for all potential users and which requires vehicle manoeuvres to be carried out on and off the site to the detriment of highway safety and which would cause obstruction to pedestrians. The proposed development would be contrary to Policies CP1, CP10 and CP12 of the Core Strategy (adopted October 2011) and Policy DM13 and Appendix 5 of the Development Management Policies LDD (adopted July 2013).

6. 15/2533/FUL ALPC meeting 13/01/2016
57 Gallows Hill Lane Abbots Langley Hertfordshire WD5 0DD - Single storey rear extension for Mr and Mrs Partington.
