### Planning applications decided by Three Rivers District Council Reported on 21<sup>st</sup> November 2018

#### Appendix A1

1. 18/1659/FUL ALPC meeting 29/08/2018

8 Seabrook Road Kings Langley WD4 8NU - Change of use of part of paddock to residential curtilage and the installation of 64 solar panels for Mr Jamie Lambert.

**ALPC Comment:** Members are in favour of this application.

**TRDC Decision:** Refused

**Reasons:** 1. The proposed change of use of the land to residential curtilage and the installation of 64 solar panels would fail to preserve openness of Green Belt and would conflict with the purpose of Green Belts by resulting in permanent encroachment to the countryside of residential use and large inappropriate structures. The development would therefore result in an inappropriate form of development which, by definition, is harmful to the Green Belt. No material planning considerations of sufficient weight have been demonstrated which would constitute very special circumstances to outweigh the inappropriateness of the development and the actual harm to the openness of the Green Belt. As a result the development would be contrary to Policies CP11 and CP12 of the Core Strategy (adopted October 2011), Policies DM2 and DM7 of the DMP LDD and the revised NPPF.

2. The change of use of the land to residential curtilage (including the installation of 64 solar panels) results in an incompatible form of development given the scale and unduly prominent form of development leading to the overdevelopment given the scale and unduly prominent form of development leading to the overdevelopment of the site to the detriment of the character of the area and the visual amenity of neighbouring properties. The development is therefore contrary to Policies CP1 and CP12 of the Core Strategy and Policy DM1 and Appendix 2 of the DMP LDD.
2. 18/1628/FUL ALPC meeting 19/09/2018

25 Harthall Lane Kings Langley WD4 8JW - Part single, part two storey rear extension and first floor side extension for Mr and Mrs Tetsall.

**ALPC Comment:** No objections providing this new application, together with any previous extensions, does not exceed the 40% guidance for properties within the green belt.

**TRDC Decision:** Refused

**Reason:** The proposed development would result in disproportionate additions in relation to the original dwelling. The scale and design of the development would significantly increase the bulk and massing of the dwelling and would result in development that would harm the openness of the Green Belt and the character of the dwelling. The proposal would therefore be an inappropriate form of development within the Metropolitan Green Belt, which is, by definition harmful to the Green Belt. No very special circumstances exist to outweigh this harm. As such the proposal is contrary to Policies CP1, CP11 and CP12 of the Core Strategy (adopted Oct 2011) and Policies DM1, DM2 and Appendix 2 of the DMP LDD.
3. 18/1719/FUL ALPC meeting 19/09/2018

The Swallows Shirley Road Abbots Langley Hertfordshire - Construction of a detached dwelling with associated parking and amenity space provision for Mr L Egan.

**ALPC Comment:** Following approval of the previous application 18/0787/FUL for a replacement double garage, Members object to this latest application to now convert it to a habitable dwelling being overdevelopment of the site, with a contrived design, internal layout and parking arrangements for the plot size and

little amenity area, which, together with the proposed street scene including a slatted roller blind, would result in an unsympathetic form of development within the area. If officers are minded to approve this application then Members request that it is referred to Three Rivers Planning Committee for consideration.

**TRDC Decision:** Refused

**Reasons:** 1. The proposed development by reason of its siting, plot size, contrived design and layout would result in overdevelopment of the existing plot to the detriment of the character of the area. The proposed development would result in a cramped and contrived unsympathetic form of development within the area. The poor quality of amenity space further demonstrates this contrived nature of the development. The proposal would therefore be contrary to Policies CP1, CP3 and CP12 of the Core Strategy (adopted October 2011) and Policy DM1 and Appendix 2 of the Development Management Policies LDD (adopted July 2013).

2. The proposed development fails to meet the requirements of Policy CP4 of the Core Strategy (adopted October 2011) and SPD: Affordable Housing (approved June 2011) in that the scheme would not provide policy compliant affordable housing and it has not been demonstrated that it would not be viable to meet policy requirements for affordable provision; a S106 Agreement has not been agreed to secure provision.

4. 18/1716/FUL ALPC meeting 19/09/2018  
27 Greenways Abbots Langley Hertfordshire WD5 0EU - Two storey rear extension, single storey side and rear extension and front porch extension for Mrs Michelle Jee.  
**ALPC Comment:** No objections.  
**TRDC Decision:** Approved
5. 18/1851/FUL ALPC meeting 19/09/2018  
4 High Street Bedmond WD5 0QR - Two storey side and rear extension and new front porch for Mr G Depiano.  
**ALPC Comment:** Despite the slight reduction in size from the previous application 18/1201/FUL, Members still object to this two storey extension to create a four bedroom house which is over the 40% guidance for properties within the green belt, resulting in disproportionate additions to the original dwelling and an overdevelopment of the site with no special circumstances demonstrated to outweigh the negative impact.  
**TRDC Decision:** Refused  
**Reason:** The proposed two storey side and rear extension and front porch would significantly increase the bulk and massing of the dwelling with the size, scale and design of the extensions resulting in disproportionate additions over and above the size of the original dwelling. The proposed development would also spread development across the site and would cause harm to the openness of the Green Belt. No very special circumstances exist to outweigh the harm to the Green Belt by virtue of its inappropriateness. The proposed two storey side and rear extension would be of a size and scale which would subsume the host dwelling detracting from the character and appearance of the existing dwelling resulting in demonstrable harm to the character and appearance of the host dwelling, streetscene and wider area. As such the proposal is contrary to Policies CP11 and CP12 of the Core Strategy, Policies DM1, DM2 and Appendix 2 of the DMP LDD and the NPPF.
6. 18/1876/FUL ALPC meeting 19/09/2018  
Bramblewood Harthall Lane Kings Langley WD4 8JN - Alterations to existing garage including single storey side extension and removal of existing pitched roof form and installation of stand alone solar panels for Mr Haydon Robinson.
