Planning applications decided by Three Rivers District Council Reported on 21st February 2018

Appendix A1

1. 17/1290/FUL ALPC meeting 19/07/2017
22-33 And 40-51 Summerhouse Way Abbots Langley Hertfordshire WD5 0DY - Demolition of 24 existing apartments and redevelopment to provide 43 apartments (9 x one-bed and 34 x two-bed) and a three-bed dwelling house and associated development including parking and landscaping for Mr Jack Burnham.
ALPC Comment: Members very strongly object to this proposal which results in a loss of 23 social housing units to be replaced with 23 affordable rented properties which, based on the average house prices for the area, will be considerably more expensive. With the other 20 proposed properties being shared ownership and 1 house for market sale, the application results in no gain at all of much needed social rented accommodation. Also the cramped design of the new units is inferior to the original dwellings which have separate kitchens and larger bedrooms. If approved, a condition should be added that the social element of the development should remain as such in perpetuity.
TRDC Decision: Approved
2. 17/2290/FUL ALPC meeting 22/11/2017
Bramblewood Harthall Lane Kings Langley WD4 8JN - Single storey side extension to existing garage, removal of existing garage roof and installation of solar panels on top of the new flat roof and associated landscaping for Mr Haydon Robinson.
ALPC Comment: No objections. Members supported the energy saving principals that underpin the application.
TRDC Decision: Refused
Reason: The proposal would significantly increase the bulk and mass of the garage with the size, scale and design of the extension resulting in a disproportionate extension which would not be subordinate to the host dwelling. It would therefore be inappropriate development and would cause harm to the openness of the Green Belt and result in the encroachment of development to the countryside contrary to one of the purposes of the Green Belt. There are no very special circumstances to outweigh this harm and the development would be contrary to Policies CP1, CP11 and CP12 of the Core Strategy (adopted October 2011), Policies DM, DM2, DM5 and Appendix 2 of the Development Management Policies LDD (adopted July 2013) and the National Planning Policy Framework.
3. 17/2470/FUL ALPC meeting 20/12/2017
70 Toms Lane Kings Langley WD4 8NB - Two storey side and single storey rear extension for Mr Danny Gladman.
ALPC Comment: Members object to this proposal as the first floor element of the side extension is too close to the neighbouring boundary and the increase in the footprint of the original dwelling is well in excess of the 40% guidance for properties within the green belt.
TRDC Decision: Approved
