7. 21/1774/FUL ALPC meeting 04/08/2021  
93 Gallows Hill Abbots Langley WD4 8LY - Single-storey ground floor and single-storey lower ground floor side/rear extension, single storey side extension, rear terrace and access stairs to garden.  
**ALPC Comment:** Members feel that the proposed plans will result in overlooking both neighbouring properties.  
**TRDC Decision:** Approved with conditions inc. no windows or similar openings [other than those expressly authorised by this permission] shall be constructed in the flank elevations of the extensions hereby approved.  
**Reason:**
8. 21/1772/FUL ALPC meeting 04/08/2021  
Land North Of Toms Lane Kings Langley WD4 8PB - Change of use to equestrian and construction of a stable building, hardstanding and access.  
**ALPC Comment:** Members object to the proposal and feel that the building on this site is an inappropriate use of the land. They are not opposed to temporary accommodation on the site but have concerns that if permanent approval is granted, this will lead to future development of the land. Members are concerned that the site is ex landfill and would therefore make it inappropriate to develop.  
**TRDC Decision:** Refused  
**Reason:** R1 The proposed development through the introduction of built form development and the extent and use of the hard surfacing would fail to preserve the openness of the Green Belt and would therefore not meet any of the exceptions listed at paragraphs 149 or 150 of the NPPF (2021). The development would constitute inappropriate development, by definition, would have a significant harmful impact on the openness of the Green Belt and would also conflict with one of the purposes of Green Belts, namely the encroachment into the countryside. It is considered that very special circumstances do not exist to outweigh the inappropriateness of the development, harm to openness and any other harm identified.  
R2 The proposed development fails to demonstrate that vehicles using the site can safely enter and turn within the site in order to access and egress the site in a forward gear which would adversely impact upon highway safety.

**ALPC Comment:** Members noted the application  
**TRDC Decision:** Approved  
**Reason:**
11. 21/1748/FUL ALPC meeting 04/08/2021  
8 Woodlands Road Nash Mills HP3 8RZ - Loft conversion including construction of front pitched roofed dormer windows.  
**ALPC Comment:** Members are pleased to see a good aesthetic design solution to a loft conversion.  
**TRDC Decision:** Refused

**Abbots Langley Parish Council**

**Reason:** The proposed front dormer windows by virtue of their number, design and awkward position on the roof would appear cramped within the roofslope and would result in a contrived addition resulting in demonstrable harm to the character and appearance of the host dwelling, area and streetscene of Woodlands Road where front dormer windows are not a characteristic feature. The development would therefore cause harm to the visual amenities of the area.

12. 21/1812/FUL ALPC meeting 04/08/2021
