Appendix A1

1. 21/2444/FUL ALPC meeting 17/11/2021

36 Gypsy Lane Hunton Bridge WD4 8PR - Demolition of existing conservatory and construction of part single, part two storey side and rear extension and loft conversion including front and rear rooflights.

ALPC Comment: No comment

TRDC Decision: refused

Reason: The proposed two storey rear extension, increase in ridge height and introduction of a crown roof would unacceptably increase the bulk and massing of the host dwelling to such an extent that it would relate poorly with the existing house therefore resulting in a form of development that would be incongruous to the host dwelling, out of character with the traditional roof forms in the area and adversely affect the character and appearance of the streetscene. The two storey rear extension, increase in ridge and introduction of a crown roof would therefore be contrary to Policies CP1 and CP12 of the Core Strategy (adopted October 2011), Policy DM1 and Appendix 2 of the Development Management Policies LDD (adopted July 2013) and the NPPF (2021).
