Any other events or attractions not listed above?

For attractions listed in *red* you may need to apply for a Temporary Events Licence (TENS), or a club licence may need to be extended. Contact Three Rivers District Council Licensing Department for advice on 01923 776611. Stalls selling food will need to comply with Food Hygiene Regulations, further advice is available from Three Rivers District Council Environmental Health Department.

Attractions in *blue* are safety critical. The Parish Council will need sight of all relevant risk assessments, safety certificates and qualifications for the activity, first aid qualifications, and liability insurance. It is unlikely that the Parish Council will give permission for any event or activity that involves fireworks or pyrotechnics, unless they are run by a professional company. Model aircraft flying displays are high risk and unlikely to be approved.

Important

Do not book or commit to any financial expenditure or market the event until the Parish Council has given outline approval for your event or activity.

Final approvals will not be confirmed until close to the event date by when you will have been expected to have complied with all of the Parish Councils event / activity organisation requirements.

I/We have read the ALPC Recreation Regulations and confirm that I / the organisation on whose behalf I am applying have accepted them.

I/We agree that when I/we receive written notification of approval of this application, this application together with the Recreation Regulations shall constitute a contract of letting between me/my organisation and Abbots Langley Parish Council.
