*Civic Awards (Appendix A)*

*I would like to propose formally that the Parish Council establishes a system of Civic Awards to people who have made an outstanding contribution to the life of the Civil Parish of Abbots Langley. I suggest that the scheme operate as follows:*

- 1) *The awards are to recognise and celebrate the activities and achievements of local residents within the community.*
- 2) *The awards shall be open to individuals living in the Parish of Abbots Langley. In the case of a group, it must operate from within the Parish and a majority of its members and officers shall live within the Parish.*
- 3) *Four awards may be made*
  - a) *Individual*
  - b) *Group*
  - c) *Young person under 18*
  - d) *Outstanding achievement - either for exceptional achievement in the past year, or many years of service to the community.*
- 4) *A panel shall be established to decide on the awards, comprising the Chairman, the Clerk and one other member of the council.*
- 5) *A winner shall be announced in each category. The panel may choose to award up to two 'Highly Commended' certificates in each category.*
- 6) *The winner shall be presented with a trophy to keep for the year and a smaller version to be retained permanently.*
- 7) *Awards shall be made in time to allow presentations at the Chairman's Reception each year.*
- 8) *The awards are not open to:*
  - Serving Abbots Langley Parish Councillors, or those who have served in the past.*
  - Past or present members of staff and their immediate families.*
  - Serving members of other authorities. (Former, non-serving members are eligible.).*

*Groups in which any of the above serve may be considered for an award.*

*(Originally proposed by Cllr Sara Bedford, November 2006)*
